

Reduced Fare ID Card Program

WHAT IS THE REDUCED FARE ID CARD PROGRAM?

The Reduced Fare ID Card program allows persons with **physical or mental impairments (either permanent or temporary) to ride for a reduced fare, if, due to the disability, you are unable to use Capital Metro's regular fixed route transit services as efficiently as non-disabled persons.**

HOW TO APPLY:

A Reduced Fare ID Card application may be obtained by visiting the Capital Metro Transit Store located at 209 W. 9th Street, downloading the application from our website <http://www.capmetro.org/RFID/>, or calling (512) 389-7475 and requesting an application by mail. The applicant or caregiver must complete and sign the applicant portion of the form. A physician, physical therapist or psychiatrist must complete and sign the medical verification portion of the application.

The application must be returned to the Capital Metro Transit Store no later than 30 days from the date on which the medical verification was completed. Certification for this program will be delayed and/or denied if applications are incomplete or if returned more than 30 days from the date the medical verification was completed.

There is a minimum 3 day processing period from the time the Transit Store receives an application to the time the Reduced Fare ID Card can be issued. Applicants will be required to return to the Transit Store after the processing period with a valid government-issued ID, Texas photo ID or Texas drivers' license in order to receive their Reduced Fare ID Card.

TEMPORARY REDUCED FARE ID CARD CERTIFICATION:

Individuals with a temporary disability may be eligible for Reduced Fare ID if the disability will last less than three (3) months. A temporary Reduced Fare ID Card may be renewed once during a one (1) year period (a total of 6 months maximum), and the card will not be valid after that time has expired. In order to renew a temporary Reduced Fare ID Card, a new application must be completed and submitted. The cost of renewing a temporary Reduced Fare ID Card is three dollars (\$3).

ADDITIONAL INFORMATION:

All charges and fees related to the Reduced Fare ID Card must be paid upon receipt of the card.

- ✓ *Only cash, credit cards, or money orders will be accepted as payment.*
- ✓ *Reduced Fare ID Cards cost \$3, and the replacement cost for a lost, stolen, or damaged card is: \$3 for the first two replacements and \$6 for the third and all future replacements until the card is renewed.*

WHAT NEXT:

Return the completed Reduced Fare ID card application to the Capital Metro Transit Store in person, by mail, or by fax to (512) 369-6072.

REDUCED FARE ID CARD PROGRAM GUIDELINES

WHAT DOES IT COST TO RIDE?

With a Reduced Fare ID Card, persons with disabilities may ride MetroBus, MetroExpress, or MetroRail for a reduced fare. These fare benefits apply to regularly scheduled Capital Metro transit service and do not include MetroAccess (paratransit), vanpools or special event service. The cost of a Reduced Fare ID Card is \$3. The replacement cost for a lost, stolen, or damaged Reduced Fare ID Card is: \$3 for the first two replacements and \$6 for the third and all future replacements until the card is renewed.

HOW DO I USE THE REDUCED FARE ID CARD?

Tap the Reduced Fare ID Card on the target located on the farebox when boarding a bus. The farebox will read the card and verify that you can ride for reduced fare. Deposit \$.60 (local), \$1.75 (commuter) for a one-way ride fare, tell the bus driver that you wish to purchase a reduced fare day pass, or scan a previously purchased pass. Bus operators are authorized to ask to see your Reduced Fare ID Card when you board the bus. **If the farebox indicates your Reduced Fare ID Card is invalid, you will be required to pay a full fare or exit the vehicle.** The Operator **cannot** override an invalid Reduced Fare ID Card. Any questions to the validity of your card must be directed to the Capital Metro Transit Store located at 209 W. 9th Street.

WHAT SHOULD I KNOW?

The Reduced Fare ID Card has an embedded microchip (smart card). The only information programmed into the Reduced Fare ID Card is the date the card was issued, expiration date, and serial number of the card. The information printed on the card is your name, date of issue, the card serial number and your picture. Social Security numbers are not printed on Reduced Fare ID Cards. The Smart Card is made of rigid PVC, much like a credit card. The card should not be folded, bent, or exposed to excessive heat (clothes dryer, hair dryer, etc.). It is important to take care of your card.

If the card becomes damaged due to abuse, you will be expected to pay full fare until the card is replaced.

- All lost, stolen or damaged Reduced Fare ID Cards are immediately rendered electronically invalid and will be rejected by the farebox. If you board a bus with an invalid Reduced Fare ID Card, you will be required to pay full fare or exit the vehicle.
- A Reduced Fare ID Card is to be used only by the person to whom it is issued and whose name appears on the card. Cards used by a person other than the legal card holder will be confiscated, and can result in revocation of eligibility for this program.
