South Central Flyer

Notes:

Buses on the Flyer routes stop less often. Typically, Flyers offer direct service between neighborhoods and the UT campus or downtown Austin.

Northbound (morning)—after departing South 1st/Stassney timepoint, all buses are instructed to “make best time” as traffic and safety will allow. After departing the last outlying bus stop served (South 1st/Stassney), service will be “drop-off” only (no additional passengers will be allowed to board).

Southbound (afternoon)—after departing South 1st/Barton Springs timepoint, all buses are instructed to “make best time” as traffic and safety will allow. After departing the last downtown area bus stop served (South 1st/Barton Springs), service will be “drop-off” only (no additional passengers will be allowed to board).
