Dell Limited

Notes:

Buses on the Limited routes stop less often. Typically, Flyers offer direct service between neighborhoods and the UT campus or downtown Austin.

Northbound—all buses are instructed to adhere to all timepoints. After departing Airport/Parkwood, all buses are instructed to “make best time” as traffic and safety will allow. Thus, the scheduled times for arrival to Tech Ridge Park & Ride are approximate.

The 135 is a limited-stop service. Only bus stops listed on the schedule are served.

Service along dashed lines is nonstop.
