Dellwood

The Dellwood neighborhood features a "Service Route."

A Service Route meeting the needs of older citizens and passengers with mobility difficulties is up and running in Austin's Dellwood community.

This service combines the curb-to-curb service of MetroAccess (formerly STS) with the scheduling of Capital Metro's fixed-route service.

Route 161 Dellwood operates with 15 passenger lift-equipped vans that serve several of the area's major medical complexes, service facilities/agencies, shopping malls and grocery stores. Route 161 Dellwood also makes connections with regular-route bus service offering convenience to passengers who find distance to bus stops a problem. Open to the public, the Dellwood Route runs every hour from 9:00 a.m. to 3:00 p.m., Mondays, Wednesdays and Fridays.
