2 NEXT BUS OPTIONS

You can get Next Departure information:

- Using the Next Departure feature on the CapMetro App
- With our online Trip Planner using the Stop ID
- By calling the GO Line at 512-474-1200
- Or by texting your Stop ID to 512-474-1211

3 QR CODE

Scan the QR code with your smartphone to find real-time departure information.

On The Vehicles

Pay the Fare

- **At the bus:** Have your fare ready before you board and let the operator know which fare you would like to purchase. Then deposit exact change. If not paying with cash, you can scan the QR code on the CapMetro App, swipe your pass through the farebox, tap your card on the scanner or insert a Stored Value Card.

- **On the train:** Purchase a Commuter Pass prior to boarding and be prepared to show it if approached by a fare inspector.

Ticket vending machines at Rail stations require exact change if you're paying with cash. All passes from TVMs are automatically validated.

- **Reduced fares:** Tap ID card to the target area of the farebox and be prepared to show your ID if requested.

If Using Passes or AMP Cards in the CapMetro App

- **Using a validator on Bus or Rapid:** To validate a fare, simply access the QR code validation screen and hold your phone under the scanner.
- **All other trips:** Show the bus operator or Rail conductor the animated activation screen.

Take a Seat

- Choose any seat you like, but remember that the front seats are reserved for older adults and people with disabilities. If all seats are occupied, find a safe place to stand.
- **On the bus:** When you're about a block from your destination, trigger the stop signal by pulling the cord or pushing the STOP button. Please exit through the rear door to allow new customers to board at the front and limit the wait time at each stop.
- **On the train:** There's no need to signal a stop, as the train will stop at every station.
- Buses and trains are allowed to pick up or drop off customers only at official CapMetro bus stops, stations or designated areas. The only exception to this rule is when an onboard customer requests a courtesy drop off between regular bus stops after 9 p.m.

End of the Route

Your fare buys you convenient, safe transportation to your destination. Service finishes when a vehicle goes out of service — riders may be asked to exit.

Rules of the Road

CapMetro is dedicated to making your trip as pleasant as possible. Please observe these Rules of the Road to ensure the safety of everyone on board the vehicles, and at bus and rail stops. Failure to follow may result in removal from CapMetro vehicles or property and criminal prosecution. Repeat offenders may be suspended from using services.

Safety and Consideration

- Have your pass or cash ready when boarding, and keep your fare handy in case requested by a fare inspector. Customers without a valid fare will be asked to exit the vehicle.
- Priority seating at the front of vehicles is reserved for customers with disabilities and senior citizens. Customers in wheelchairs have priority. Operators may ask you to relocate to another seat. Please accommodate them, even if it means you must stand for your trip.
- Please don't interfere with the operation of a vehicle, including by talking to the operator while the vehicle is in motion.
- Stand behind the white or yellow line while vehicles are in motion.
- Keep hold of your belongings on your lap, at your feet or in overhead storage spaces. Items may not block aisles, obstruct seats or be left unattended.
- Disruptive behavior is not allowed, including: loud conversation, profanity, insults, threats, horseplay, fighting, inconsiderate cell phone use or playing musical instruments.

- Headphones are required when using all audio and visual devices.
- Feet must be kept off of seats.
- Heads, hands and all other objects must remain inside the vehicle while it is in motion.
- Panhandling and soliciting are not allowed.
- Shirt, pants/shorts/skirt and shoes are required.
- Spitting, urinating, defecating or exposing one's body parts are not allowed.
- Boarding with uncovered health-related open sores and wounds; visible bodily fluids on clothing; or a visible infestation of bedbugs, fleas or lice is not allowed.
- Please don't perform tasks of basic hygiene, like clipping nails or flossing teeth while on board our vehicles.
- Please be considerate of customers with chemical sensitivities by limiting use of colognes and perfumes.
- Children younger than 10 must be accompanied by a rider who is 12 years or older.

Bikes, Strollers, Scooters and Pets

- Most buses feature exterior bike racks located at the front of the vehicle. Exceptions include some Express vehicles, which have storage compartments on the side of the vehicle, and electric buses with compartments at the back of the bus. Only folded bicycles are permitted on buses. However, bikes are allowed on Rail, and must either be stored in the onboard bike rack or maintained in a standing position by the owner.
- Fold your recreational scooters before boarding the bus or train.
- Children may remain in strollers while

on board in the priority seating areas if a parent or guardian maintains control of the stroller. If the priority seating areas are not available, children must be removed from the stroller and the stroller must be collapsed. Riders in wheelchairs or mobility devices have priority for that seating.

- Roller skates, skateboards and other small wheeled recreational devices may not be used while on board vehicles.
- Service animals assisting a rider with a disability and service animals in training are allowed on board our vehicles, but they may not occupy a seat or block the aisle.
- Pets, emotional support and comfort animals are not allowed on CapMetro vehicles.

Food, Beverages and Other Consumption

- Beverages are allowed in spill-proof containers, screw top bottles or cups with lids. Otherwise, please don't eat or drink on board CapMetro vehicles.
- Smoking tobacco products, including electronic cigarettes or vape pens, and chewing tobacco are not allowed. Expelling the residue of any tobacco product, including chewing tobacco, is also not allowed.
- Consumption of alcoholic beverages on board and at stops is not allowed. Alcohol

must be in its original and sealed container for transport.

Property and Facilities

- Trespassing and loitering at stops, or on any CapMetro vehicle property, vehicle or train, is not allowed.
- No trespassing on vehicle property
- Rail always has the right of way
- Vandalism is not allowed, including writing on, removing, marking or defacing CapMetro properties, vehicles and stop amenities.
- Please do not use CapMetro facilities or properties for non-transportation purposes.
- Illegal possession, use, distribution or sale of any controlled substance is not allowed.
- Illegal weapons, explosives, wet cell batteries, flammable/combustible material (gasoline, kerosene or propane) and other hazardous items are not allowed.
- CapMetro is not responsible for lost, stolen or damaged items. Remember to take personal items with you.
- CapMetro staff, including vehicle operators, are not allowed to accept tips or gifts. You may show appreciation with a thank you or by submitting a compliment through the GO Line (512-474-1200).

*A complete list of rules and reminders are available at capmetro.org/rules.
For questions, please call the GO Line at 512-474-1200.*

Riding With Your Bike

It's easy to take your bike along when you ride Bus, Rapid and Rail. In fact, we wish you would!

Adding a bike ride to your transit trip puts more destinations within reach and gives you an additional option to connect from the stop or station to your final destination.

Onboard Bike Racks

Easy-to-use bike racks are available at the front of the buses on a first-come, first-served basis. Express buses have bike storage compartments with a 2 bike maximum. Folding bikes/ scooters may be brought on board if they don't block the aisle. Bikes are allowed on Rail. When trains are full, bikes are limited to eight total per train — four per compartment.

Accessible Riding

At CapMetro, we strive to make riding transit easy for everyone. Whether you need special services for yourself, a family member or a friend, you'll find accessible traveling options at CapMetro.

Accessible Boarding

- You'll find lift or low-floor ramp access on all CapMetro buses. All buses can be lowered upon request for ease of boarding.
- Rail vehicle entrances are level to the station platforms. Be careful to stay behind the textured strips that mark the edge until it is time for you to board.
- Review detailed information on wheelchair lift and ramp procedures at capmetro.org/accessibility.

Priority Seating

- The seats in the front of vehicles are reserved for seniors, people in wheelchairs or other customers with disabilities. The bus operator will secure mobility devices on the bus for safety reasons. If your mobility device does not have a built-in shoulder/lap belt, the bus operator will offer you one.
- You can ride with a personal care attendant or aide. Be sure to include their information in your documents during the eligibility determination process.

Service Animals

- Service animals are specially trained to help individuals with disabilities. Service animals are distinct from pets and security dogs. Please don't ask to pet them or interfere with them while they work.
- CapMetro welcomes service animals on board. However, service animals must remain underneath the seat and not block the aisle.
- Riders with wheelchairs may allow their service animal to sit beside them, but should not block the aisle. Service animals that are small and cannot sit underneath the seat must sit in the handler's lap. For more information, visit capmetro.org/accessibility.

Ride with a Pro

- Learn how to ride the bus with a professional travel trainer. CapMetro offers free fixed-route bus training for senior citizens and for riders with disabilities. For information and to schedule an appointment for training, call 512-369-6083.

Stay on Top of Your Trip

- To help you get information and stay oriented throughout your trip, all buses announce major intersections, major stops, transfer locations and routes that serve them, and stops upon request. Automated announcements are in both English and Spanish.
- Rapid stations feature an announcement button at all locations to audibly dictate information on digital signage.
- Visual and spoken announcements are made at all Rail stations. Ticket vending machines include audio and Braille instructions. If there are accessibility

barriers such as construction at your bus stop, you may request a courtesy stop at a nearby location. It is up to the operator to determine if the courtesy stop is a safe location for exiting the bus. Exceptions: all Limited, Flyer and Express services.

Tether Strap Program

Schedule an appointment with one of our certified travel trainers, and they will determine the safest tie-down points on your wheelchair or scooter. Viajar con su Bicicleta

Es fácil llevar su bicicleta en Bus, Rapid y Rail. Es más, ¡le invitamos a hacerlo!

Sumar un viaje en bicicleta a su viaje en transporte público pone más destinos a su alcance y le ofrece una opción adicional para hacer conexiones desde la parada o la estación hacia su destino final.

Rejillas para Bicicletas

Se ofrecen rejillas para bicicletas fáciles de usar, al frente de los autobuses. La disponibilidad es conforme el orden en que llegan los pasajeros. Los autobuses exprés tienen compartimentos para guardar hasta 2 bicicletas. Se permite llevar al interior, bicicletas plegables, siempre que no bloqueen el pasillo. Las bicicletas están permitidas en Rail. Cuando los trenes están llenos, el número de bicicletas por tren está limitado a ocho: cuatro por compartimento.

¿No sabe cómo subir o bajarla la bicicleta del autobús o tren? Consulte las instrucciones detalladas y un video instructivo en línea ingresando en capmetro.org/bring-your-bike.

MetroBike

CapMetro se complace de poder ofrecer el alquiler de bicicletas a través del sistema de bicicletas compartidas de BCycle de MetroBike. Las estaciones están ubicadas convenientemente en toda la ciudad y permiten la conexión con varias estaciones de autobuses y trenes. Viaje accesible

En CapMetro, nos esforzamos por hacer que el viaje sea fácil para todos. Bien sea que necesite servicios especiales para usted, para un miembro de la familia o para amistades, encontrará opciones accesibles de viaje en CapMetro.

Abordaje Accesible

- Todos los autobuses de CapMetro cuentan con ascensor o rampa de piso bajo. Todos los autobuses pueden descender para facilidad de abordaje, a solicitud del usuario.
- Las entradas vehiculares de Rail se encuentran al nivel de las plataformas de la estación. Recuerde que, antes de abordar, debe mantenerse detrás de las franjas que marcan la orilla.
- Consulte la información detallada sobre el ascensor y los procedimientos de rampa para sillas de ruedas, en capmetro.org/accessibility.

Asientos Prioritarios

- Los asientos ubicados en el frente del vehículo se reservan para las personas de la tercera edad, las que utilizan sillas de ruedas u otros pasajeros con discapacidades. Por razones de seguridad, el operador del autobús fijará los dispositivos de movilidad en el interior. Si su dispositivo de movilidad no cuenta con cinturón para hombro/regazo, el operador le ofrecerá uno.
- Puede viajar con un ayudante de cuidado personal. Asegúrese de incluir su información en sus documentos durante el proceso de elegibilidad.

Animales de Servicio

- Los animales de servicio son especialmente entrenados para ayudar a los individuos con discapacidades. Los animales de servicio son distintos de las mascotas o de los perros de seguridad. Por favor, no pida acariciarlos ni interfiera con ellos mientras trabajan.
- CapMetro da la bienvenida a los animales de servicio a bordo. Sin embargo, los animales de servicio deben permanecer debajo del asiento ni obstruir el pasillo.
- Los pasajeros en sillas de ruedas pueden viajar con su animal de servicio sentado a su lado, sin que este obstruya el pasillo. Los animales de servicio pequeños no pueden permanecer debajo del asiento, deben sentarse en el regazo de sus amos. Para más información, visite capmetro.org/accessibility.

- Se realizan anuncios visuales y verbales en todas las estaciones de Rail. Las máquinas expendedoras de boletos también incluyen instrucciones en audio y en Braille.
- Si hay barreras al acceso, como obras de construcción en su parada de autobús, usted puede solicitar la cortesía de detenerse en un sitio cercano. Es decisión del conductor si la parada de cortesía se encuentra en un sitio seguro para descender del autobús. Excepciones: todos los servicios Limitados, Flyer y Express.

Viaje con un Profesional

- Aprenda a viajar en el autobús con un instructor profesional. CapMetro ofrece capacitación gratuita en autobuses de ruta fija a ciudadanos de la tercera edad y personas con discapacidades. Para información y para programar una cita para capacitación, llame al 512-369-6083.

Conserve el Control Sobre su Viaje

- Para ayudarle a obtener información y orientación durante el viaje, todos los autobuses anuncian las intersecciones principales, las paradas más importantes, y los lugares y rutas de trasbordo, además se detienen a solicitud del pasajero.
- Los anuncios automáticos están en inglés y en español.
- Las estaciones de Rapid cuentan con un botón de anuncio en todas las localidades para anunciar oralmente la información en señalización digital.

Programa de Correa de Fijación Gratuita

Solicite una cita con nuestros capacitadores certificados para viajes y ellos determinarán cuáles son los puntos más seguros para colocar su silla de ruedas o scooter de movilidad. Se agregarán gratuitamente ataduras y marcas de cinta a su dispositivo, y los operadores de autobús los usarán para asegurar su dispositivo cuando viaje en el autobús. Llame para pedir una cita o para más información — 512-369-6083.
