Identify potential topics for public review. This can involve assessing community needs and prioritizing current topics based on PSAC recommendations	Community Engagement reviews the topic and supporting documentation considering past feedback from the community and PSAC.	Community Engagement preps online platform for feedback, document sharing, and transparent communication. Schedule subcommittee meeting(s).	Community Engagement posts topics and supporting documentation online and communicates to the public about upcoming subcommittee meetings.	Community Engagement continuously reviews and synthesizes online feedback; replies and summarizes questions and adds trending questions to the FAQ.	Community Engagement preps for meeting with all teams and helps facilitate meeting logistics. Follow-ups and next steps are identified and documented.	CE, TPD, and Executive teams review all feedback and identify areas of concern, making appropriate changes throughout documents.	Community Engagement creates final engagement summary or report and ensures that the FAQ for each topic is updated.	"Final Draft" of supporting documentation and engagement report posted on webpage.
