

## Enjoy Your Summer with Loved Ones at Zilker Park/Barton Springs

Cap Metro and the Austin Parks Foundation are working together to help families enjoy Austin's back yard. Save money and remove the hassle of paying for parking. You can get \$2 off admission to Barton Springs or Zilker Botanical Garden when you take Route 30 to Zilker Park. Combine it with our Kids Ride Free program, and the whole family can have a great time!

A new Park & Ride at the WestGate Transit Center fulfills longstanding requests made by both our customers and the surrounding neighborhoods.

Route 30 runs from 12th & Guadalupe to the new Westgate Transit Center, serving Republic Square, Zilker Park and Barton Creek Mall in between.

## Join us for Orange Line and Blue Line Workshops in July

To improve downtown mobility, especially for commuters, we will be hosting workshops. These events will be an opportunity for our community members to provide feedback on corridor specific developments. Come learn how transit can change travel in the corridor and provide your feedback.

Please find the list of dates and locations of these workshops in our event calendar below. The public will be provided with specific corridor information that correlates to the segment where the workshop is being held.

Please check out the Project Connect Website for Projected Map Details.
